

# You Can Support FWHS Robo Knights by Taking Advantage of the Arizona School Tax Credit

Robo Knights club members learn engineering skills like mechanics, pneumatics, electronics and computer programming. We compete at the FIRST (For Inspiration and Recognition of Science and Technology) national competition in Phoenix, AZ.

## ROBO KNIGHTS 2010-2011

Arizona law allows taxpayers to receive a tax credit of up to \$400 for donations to the Robotics Club at Flowing Wells High school.

### How it works:

Taxpayers send a donation to the district marked for use with our club. The district will send you a receipt. You can subtract your donation from what you owe.

### What qualifies:

Only donations towards clubs qualify. Donations must be made to school districts but directed to clubs. Fill out the form and send it with your check to the address at the right. Donations received by December 31 can be applied to the 2010 Tax year. Donations that arrive later can be credited against 2011 taxes.
